

REMARKS

Attorney for applicant, upon reviewing the amendment filed February 24, 2005, realized that the recently introduced format for claim amendments was not followed since it did not state "1-20. (Canceled)." This supplemental response cures the foregoing deficiency.

To the extent necessary during prosecution, Applicants hereby request any required extension of time not otherwise requested and hereby authorize the Commissioner to charge any prescribed fees not otherwise provided for, including application processing, extension of time, and extra claim fees, to Deposit Account No. 08-2025.

Respectfully submitted,
